**FUN
STARTS
NOW!**

At BB Thai Town, we don't just feed your appetite – we feed your soul.

Just like in Thailand, the vibe here is all about enjoying the food, the drinks, the music and the company.

Expect the heat of a good Thai chilli, the zing of zesty herbs, to-die-for sweet crispy roti and the buzz of a place where the music's loud, the drinks are cold, and the party never stops. This is where you come to eat, drink, and let loose—because we're not just serving up food, we're serving up the full

Thai experience. Bold flavours, memories that'll have you coming back for more. We're here to make sure you get that same spirit of celebration that runs through the heart of Thailand. So grab your friends, dive into the feast, and let's turn up the heat—Thai style! **หมอบกั๊ก!!!**
